Our Master Service Agreement for Premium Customers (the “Agreement”) is an agreement between Nezasa AG, with offices at Sihlstrasse 99, 8001 Zurich, Switzerland (“Nezasa”) and the Customer. The Customer and Nezasa form each a “Party” and together hereinafter referred to sometimes as the "Parties".

The Master Service Agreement for Premium Customers is a special Master Service Agreement for customers of Nezasa who meet the eligibility requirements stipulated in Section 1.8 below.

1. Subject Matter, Scope, Definitions and Interpretation

- 1.1 Nezasa develops and operates a software-based distribution and reservation platform for tailor-made itineraries sold as a Software-as-a-Service solution. The platform provided to the Customer is indicated in the applicable Service Order (the “Platform”) and further described in the Customer Terms of Service.
- 1.2 The Platform may consist of several products (the “Products”) based on the applicable Service Order.
- 1.3 The Platform can be used by providers of touristic services to sell individual travel packages to both Agents and End Customers.
- 1.4 If agreed in the applicable Service Order(s), the Platform also allows the Customer to search and/or purchase specific travel products and/or services displayed on the Platform and provided by third party suppliers (the “Suppliers”) such as flights, hotel accommodations, rental cars, activities, and transfers or multi-day tours (together the “Supplier Products”) in order to display, design and sell product packages to travel Agents and End Customers according to their Booking Agreements. Suppliers may also be other Nezasa customers that make their Supplier Products available through technical connections between the TripBuilder systems of independent entities (“Peer to Peer”). The Customer can use the Platform to search and/or purchase Supplier Products based on an agreement with the concerned Supplier (the “Supplier Agreement”). Neither Nezasa nor any Supplier, but only the Customer shall be the presenter or seller of the Supplier Products towards their Agents, End Customers or any third party.
- 1.5 If the Customer is, according to the applicable Service Order(s), entitled to search and/or purchase Supplier Products displayed on the Platform, then the Customer herewith explicitly acknowledges that Nezasa is neither a tour operator nor a reseller of these Supplier Products. Nezasa only provides the technology to optimize, plan and book travel products.

- 1.6 Any capitalised terms not otherwise defined in the Agreement shall have the meanings set forth in the Annex to this Master Service Agreement.
- 1.7 In the Agreement, unless the context requires otherwise, (i) the headings are inserted for ease of reference only and shall not affect the construction or interpretation of the Agreement, (ii) references to one gender include all genders and (iii) words in the singular shall include the plural and vice versa.
- 1.8 This Master Service Agreement for Premium Customers applies to customers where the eligibility for this Master Service Agreement for Premium Customers is explicitly stipulated in the corresponding Service Order. For all other customers, the standard Nezasa Master Service Agreement applies.

2. The Agreement

- 2.1 This Master Service Agreement forms together with (i) the definitions as set out in the Annex, (ii) the Customer Terms of Service, (iii) the Price List, (iv) the Service Order(s) that are agreed between the Parties and as further specified in Section 3 below (the "Service Order(s)") and other terms explicitly referenced in Customer Terms of Service or the Service Orders (e.g. the Developer Terms), the "Agreement".
- 2.2 In case of discrepancies between provisions of the Agreement, the following applies: (i) Any Service Order prevails over this Master Services Agreement, (ii) this Master Services Agreement prevails over the Customer Terms of Service, and (iii) the Customer Terms of Service prevails over any other Annex (with the exception of Service Orders), unless explicitly otherwise provided in the specific Annex with reference to this Master Services Agreement.
- 2.3 The Agreement constitutes the entire legal relationship between the Parties concerning the Platform as well as any rights and obligations, acts and omissions of the Parties connected with the Agreement.
- 2.4 Unless otherwise expressly agreed in writing by the Parties, the Agreement applies in place of and prevails over any terms or conditions contained in or referred to in any correspondence or elsewhere or implied by trade custom or course of dealing. Any general terms of business or other terms and conditions or other documents issued by the Customer in connection with the Agreement shall not be binding on Nezasa.
- 2.5 Any information or promises on the Platform are provided for information purposes only and are not binding to Nezasa unless explicitly provided

otherwise in the Agreement with regard to a specific case. Offers of Nezasa concerning a Service Order are indicated clearly on the Platform.

3. Service Orders

Service Orders according to the Agreement may only be agreed between and changed by the Parties in writing. They shall be Annexes to this Master Services Agreement.

4. Services and Operations of the Platform

4.1 General

The Customer's right to access and make use of the Platform Services and the Support Services granted by Nezasa together make the Subscription Services. Other services may also include ones derived from Premium Services to be provided to the Customer by Nezasa under the Agreement and the Customer Terms of Service described in the applicable Service Order.

4.2 Subscription Services

4.2.1 The scope and the limitations to the Subscription Services provided to the Customer and the Fees to be paid for the Subscription Services under the Agreement are described in the respective Service Order and the Customer Terms of Service.

4.2.2 Subject to the terms and conditions of the Agreement, Nezasa hereby grants to the Customer a non-transferable, non-sublicensable and non-exclusive right to access and use the Platform and to authorize Customer's employees, agents, and contractors as defined in the respective Service Order, if any (the "Authorized Users"), to access and use the Platform beginning with the Agreed Start Date and during the term of the respective Service Order.

4.2.3 Associated Companies of the Customer and Authorized Users of Associated Companies, if any, are not entitled to use the Platform unless explicitly provided otherwise in the applicable Service Order.

4.2.4 The Customer and the Authorized Users, if any, shall only be entitled to access and use the Platform in the Territory. Unless otherwise provided in the applicable Service Order, the Territory shall be worldwide.

4.2.5 If Nezasa is not able to provide the Subscription Services after the Agreed Start Date due to its own delay to perform its obligations under the Agreement, the following shall apply notwithstanding any other provision of the Agreement:

(i) Nezasa shall inform the Customer of the new Agreed Start Date;

(ii) the Subscription Fees to be paid under the applicable Service Order shall start at such new date; and

(iii) any claims of the Customer connected with the postponed Agreed Start Date, particularly damage claims, shall be excluded.

4.3 Operation of the Platform

4.3.1 Nezasa shall operate and maintain the Platform for the Customer in accordance with the applicable availability service level agreement (the "Platform SLA") which is set out in the Customer Terms of Service or in the applicable Service Order. It will provide preventive, adoptive, corrective and perfective maintenance services, further develop the Platform, release updates and upgrades from time to time (collectively, the "Releases") and monitor the Platform in order to maintain and improve it.

4.3.2 The Customer acknowledges and accepts that: (i) notwithstanding any other provision of the Agreement, Nezasa provides the Platform Services according to the Platform SLA, as set out in the Customer Terms of Service, on a reasonable effort basis only, unless explicitly otherwise provided in the respective Service Order; and (ii) the only remedies of the Customer in case of one or several violations of the Platform SLA are set out in Section 10.1.5 below. Any other liabilities and remedies of the Customer concerning the Subscription Services and Premium Services, particularly claims for damages, are excluded, unless explicitly otherwise set out in the Agreement.

4.3.3 The Customer acknowledges that Nezasa reserves the right to limit, suspend, or stop providing parts or all of its Services if Customers use the Services in a way that causes legal liability to Nezasa or disrupts others' use of the Services or if the Customer's use of the Services is contrary to Nezasa's Acceptable Use Policy as outlined in the Customer Terms of Service. Any such violation may result in the loss of the Customer's rights to claim compensation as stipulated in 4.3.2 or any other means stipulated in this Agreement.

4.3.4 The Customer is entitled to send to Nezasa Requests in case of any Incident related to the Platform Services. The Requests will then be answered and/or

solved by Nezasa in accordance with the terms with the scope stipulated in the Customer Terms of Service (the "Support SLA").

- 4.3.5 Unless agreed otherwise in the Service Order, every Product Plan includes Support Services.
- 4.3.6 The Customer is entitled to upgrade the Subscription Services at any time to the extent the applicable Product Plan allows Customer to do so. Such upgrading shall always be agreed in a Service Order. Unless agreed otherwise in writing, the Service Order with the upgraded Subscription Services shall have the same initial term, renewal term, and notice period as the original Service Order.
- 4.3.7 The Customer is not entitled to downgrade the Subscription Services during the initial term or any renewal term of the applicable Service Order, unless agreed otherwise in writing. Notwithstanding the foregoing sentence, the Customer is entitled to downgrade in case of a renewal of the term of the applicable Service Order to the extent the applicable Product Plan allows the Customer to do so with a Notice Period being at least as long as the one of the applicable Service Order and beginning with the first day of the renewed term of the applicable Service Order. Such downgrading shall always be agreed in a Service Order.
- 4.3.8 The Support Services shall be provided in Nezasa's free discretion within the scope of the Support SLA. The Customer shall be obliged to enable Nezasa to such remote access and to ensure that the respective services of Nezasa do not violate applicable laws (particularly data protection laws).
- 4.3.9 The Customer acknowledges and accepts that: (i) notwithstanding any other provision of the Agreement, Nezasa provides the Support Services according to the Support SLA, as set out in the Customer Terms of Service, on a reasonable effort basis only, unless explicitly otherwise provided in the respective Service Order; and (ii) the only remedies of the Customer in case of one or several violations of the Support SLA are set out in Section 10.1.6 below. Any other liabilities and remedies of the Customer concerning the Subscription Services and Premium Services, particularly claims for damages, are excluded, unless explicitly otherwise set out in the Agreement.

4.4 Premium Services

- 4.4.1 The Customer may want to be provided with Premium Services by Nezasa to enhance the capabilities of the Platform or consume Services which are not part of Nezasa's normal Subscription Services. Premium Services are delivered at Nezasa's sole discretion unless agreed otherwise in a Service Order.

- 4.4.2 Premium Services consist of two distinct offerings, professional services (the “Premium Professional Services”) and platform related services (the “Premium Platform Services”).
- 4.4.3 Premium Services shall be provided in accordance to terms stipulated in the Customer Terms of Service Section 4.1 “Premium Professional Services” and Section 4.2 “Premium Platform Services”.
- 4.4.4 Premium Professional Services must always be agreed in a Service Order. The Premium Professional Services if any, and the fees to be paid (“Service Fees”) therefore are governed by the Agreement and particularly by the applicable Service Order.
- 4.4.5 Unless otherwise agreed in the Service Order, all Services Fees shall be billed on time and material basis monthly in arrears supported by proper documentation of the time spent and materials used in connection with the performance. These Service Fees may also include travel expenses, which have to be reasonable and properly documented by Nezasa.
- 4.4.6 All Premium Platform Services must always be agreed in a Service Order. Any fees to be paid (“Development Fees” for development services and “Operations Fees” for ongoing operations, maintenance and support) therefore are governed by the Agreement and particularly by the applicable Service Order.
- 4.4.7 Unless otherwise agreed in the Service Order, all Development Fees shall be billed on time and material basis monthly in arrears supported by proper documentation of the time spent and materials used in connection with the performance.
- 4.4.8 The Operations Fee for CPS items shall be two percent (2.00%) per month of the total Development Fee related to that item, unless agreed otherwise in the applicable Service Order.
- 4.4.9 Any Operations Fee shall be considered an additional Subscription Fee, chargeable from the point of delivery to the Customer. The term of such a Subscription Fee shall have the same contract length, notice period, and renewal terms as the Service Order of the Product Plan that governs the relevant Platform Services to which the CPS relates to.
- 4.4.10 Any claims of the Customer arising out of or connected with a delay, default, error or defect are excluded for any Premium Services, provided that in case of a delay of over 90 days, the Customer is entitled to terminate the respective

Service Order for the Premium Service. The term of 90 days shall be extended to the extent the delay is caused by the Customer.

4.5 Purchase and Selling of Supplier Products

4.5.1 This Section 4.5 only applies if the Customer is according to the applicable Service Order(s) entitled to purchase Supplier Products as displayed on the Platform.

4.5.2 The Customer shall purchase Supplier Products displayed on the Platform according to the terms and conditions of the relevant Supplier Agreement and sell the same in its own name alone or as a part of a product package to Agents or End Customers according to Booking Agreements. Neither Nezasa nor any Supplier, but only the Customer shall be the presenter or seller of the Supplier Products towards their Agents, End Customers or any third party.

4.5.3 The Customer accepts and agrees regarding the Supplier Products that:

(i) The Supplier Products as displayed on the Platform are not sold by Nezasa, but by Suppliers directly. Nezasa does not act as a seller or reseller of the Supplier Products, but only provides the Platform that enables the Customer to search and/or purchase the Supplier Products from a Supplier based on a Supplier Agreement.

(ii) Nezasa is neither responsible nor liable for the content, its availability on the system landscape or the general availability of services provided by Suppliers.

(iii) the terms of this Master Agreement or any other agreement with Nezasa do not apply, but the terms and conditions of the relevant Supplier Agreement as provided by the relevant Supplier; and

(iv) Nezasa is not responsible or liable that the terms and conditions regarding the Supplier Products as displayed on the Platform are correct and up-to-date, but it is in the sole responsibility of the Customer to ensure that it is aware of and accepts the correct and up-to-date Supplier Agreement.

4.5.4 Neither Party has authority to represent and/or bind the other Party in respect of third parties or represent the other Party in any other way. The Customer shall ensure that Nezasa and its brand are not indicated in any Booking Agreement, offer or any other document provided to its Agents or End Customers.

4.5.5 Nezasa is not under any legal title a contracting Party of a Booking Agreement between the Customer and the Agent or End Customer. Neither an Agent or End Customer nor the Customer shall have any claims or rights against Nezasa out

of or in connection with a Booking Agreement. In particular, the Customer herewith acknowledges that in the event an End Customer before, during or after its travel itinerary (the "Itinerary") causes to the Customer or to any partner or supplier of the Customer any claims or liability for damage(s), Nezasa shall have no liability for any such direct or indirect damages, direct or indirect losses, lost profits, lost savings or any consequential damages. Any liability of Nezasa in connection with Booking Agreements is expressly excluded.

4.5.6 If the Customer or an End Customer of the Customer wishes to cancel a Supplier Product, then it has to contact and execute its rights directly towards the concerned Supplier. It is the clear understanding of the Customer that Nezasa is in no event responsible for any acts or omissions in the context of a Supplier Product or a Supplier Agreement with the only exception of the displaying of the Supplier Product according to the Agreement.

4.6 Consultation of Third Parties

4.6.1 Nezasa is entitled to consult third parties in order to provide the Subscription Services and the Premium Services without the consent of the Customer. It is entitled to choose the Suppliers that provide services to the Customer, its Agents or End Customers in its free discretion.

4.6.2 Nezasa shall ensure that such consulted third parties enter into agreements that have included reasonable non-disclosure provisions in case Confidential Information of the Customer has to be protected.

4.7 Responsibilities and Obligations of the Customer

4.7.1 The Customer is solely responsible for obtaining and maintaining appropriate equipment and ancillary services needed to connect to, access, or otherwise use the Platform, the Subscription Services and the Premium Services, including, without limitation, computers, computer operating systems, internet access, and web browsers.

4.7.2 The Customer shall be responsible, represent and warrant that he takes all necessary steps which are required that neither the Customer nor Nezasa violates the applicable laws, including but not limited to the applicable data protection laws, due to the provision of the Subscription Services and the Premium Services by Nezasa according to the Agreement. Such steps may include, but may not be limited to: (i) inform the concerned individuals and legal entities about the ways and the extent of Nezasa's collection and use of

personal data; and/or (ii) even obtain informed consent of such individuals or legal entities in case where applicable data protection laws require so.

4.7.3 Customer shall: (i) co-operate with and support Nezasa in performing the Subscription Services and the Premium Services and provide any assistance or information as may reasonably be required by Nezasa, including in relation to the diagnosis of any faults; (ii) perform the implementation and testing activities (for which it is responsible) timely; (iii) report faults promptly to Nezasa; (iv) ensure the security, completeness and accuracy of all inputs and outputs; (v) keep full backup copies of all of its data; and (vi) set up a state-of-the-art project management and coordinate all representatives of the Customer involved in the cooperation between the Customer and Nezasa.

4.7.4 If the Customer does not timely perform its obligations under the Agreement and therefore a milestone is put at risk, then Nezasa shall inform the customer of this situation. In case a milestone cannot be met because of a delay caused by the Customer, it shall be postponed accordingly.

5. Limitations of Use and Remedies

5.1 The Customer shall use the Platform only for its own internal business operations (including granting access to Authorized Users under the terms of the Agreement).

5.2 Except expressly provided in the Agreement, Customer shall not: (i) do anything inconsistent with Nezasas' rights and title to the Platform and the Software; (ii) disassemble, reverse engineer or decompile the Software or any part thereof, or otherwise derive its source code; (iii) sell, rent, lease or make otherwise available or permit access to the Platform to any third party; (iv) use or attempt to use any deep-link, scraper, robot, spider, or any other device, tool or program to access, acquire or monitor any part of the Platform; (v) violate the security of the Platform or attempt to gain unauthorized access to the Platform; (vi) provide on the Platform any information or use the Platform or parts thereof in any manner that infringes or violates the rights of Nezasa or any third party, the applicable laws or regulations; (vii) perform any action which may impair the operability of the Platform; (viii) use the Platform in any manner that is unlawful or harms Nezasa (including but not limited to the brand of Nezasa) or the users of the Platform; (ix) remove any proprietary notices or labels from the Platform; or (x) violate the Acceptable Use Policy stipulated in the Customer Terms of Service in any way.

6. Changes to the Platform and the Agreement

- 6.1 Notwithstanding Section 6.2 below, Nezasa may, without notice to the Customer, upgrade, update, further develop and otherwise modify the Platform, the Subscription Services and the Premium Services in its sole discretion at any time, including without limitation providing updates or modifying features or functionality, removing features or functionality or providing new Releases, always provided that if Nezasa limits substantial functions of the Platform then Nezasa will use commercially reasonable efforts to inform its customers on the Platform accordingly at least 12 months prior to such limitation. If the Current Term of the Customer lasts for more than 12 months after the information and the limitation leads to a substantial cost increase or revenue loss for the Customer, which must be documented by the Customer, then the Customer has the right to object to this limitation, in which case Nezasa shall not implement the limitation before the end of the Current Term of the Customer. The Customer herewith accepts, and the Agreement also applies to all such modifications, changes and Releases.
- 6.2 Changes or amendments to the provisions of the Agreement may be implemented by Nezasa at any time and at its free discretion, and Nezasa shall inform the Customer at least 45 days prior to the effectiveness of the new provisions (the "Information Date"). The Customer is entitled to terminate the concerned Service Order with immediate effect during 45 days of the Information Date, if the new provisions lead to a substantial impairment for the Customer, which has to be documented by the Customer. If (i) the Customer does not terminate timely in accordance with the foregoing sentence or (ii) the new provisions do not lead to a substantial impairment for the Customer, then the new provisions are deemed to be accepted by the Customer and shall be fully effective as per the date which shall be 45 days after the Information Date.

7. Passwords

- 8.12 In case of late payment, Nezasa may suspend the Customer's and Authorized User's access to the Platform, the Subscription Services and/or the Premium Services if Nezasa has previously put the Customer on notice regarding the late payment and the Customer has failed to remedy the situation within 20 days. If such an occurrence takes place at least three (3) times, Nezasa reserves the right to terminate the concerned Service Order(s) with immediate effect.

9. Reservation of Rights

- 9.1 The Customer acknowledges and agrees that, as between the Customer and Nezasa, Nezasa is the sole and exclusive owner of all rights, title and interest in and to the Platform, the Subscription Services and the Premium Services and any working results, data and information developed or collected by Nezasa or any third party that provides services to Nezasa or the Customer based on or in connection with the Agreement (other than Customer Data), including but not limited to all ideas, inventions, inferences, discoveries, developments, formats and processes, and all copyrights, patent rights and other intellectual property and proprietary rights therein and thereto. 9.4 The Customer shall be solely responsible for the accuracy, quality, content and legality of Customer Data, the means by which the Customer Data is acquired and the transfer of the Customer Data outside of the Subscription Services or the Premium Services.

9.5 Nezasa acquires no right, title or interest in or to Customer Data under the Agreement except to the limited extent necessary to perform the Subscription Services or the Premium Services or have performed any services connected with the Agreement by Suppliers for the Customer or other customers which includes the internal use of the Customer Data and the provision of the Customer Data to its service providers (provided that such service providers shall be obliged to keep the Customer Data confidential), but excludes any provision of Customer Data to other third Parties unless explicitly provided in this Section or Section 12 below.

9.6 Notwithstanding the above provisions of this Section 9, Nezasa shall be entitled to evaluate anonymized data obtained through the use of the contractual services by the Customer such as tracking data and patterns of behaviour, in order to use them to improve the Platform, the Subscription Services and Premium Services. Nezasa may also use Customer Data in aggregated form to create anonymous profiles and benchmark data that do not allow the identification of Authorized Users or other users. The anonymous profiles and benchmark data may be used for comparisons that may be made available to the Customer and third parties (including other customers of Nezasa) for benchmark, information and risk management purposes.
