

PRICE LIST

VERSION **Aug 13, 2026**

1 Introduction

According to the Master Service Agreement of Nezasa, if no prices are stated in the Service Order, then the prices stated in the Price List shall be the Fees payable.

For services that are neither mentioned in the Service Order nor in the Price List, please ask your Nezasa contact for a custom quote.

2 Fees

2.1 Subscription Fees

As defined in your Service Order

2.2 Utility Fees

Calculation of ABV

When calculating the ABV, the following special rules apply (see Customer Terms of Service for the definition of the terms “Flight Products (Non-P2P)” and “P2P Products”):

- Flight Products (Non-P2P) shall be counted with 50% toward the ABV.
- P2P Products shall be counted with 50% toward your ABV.

Pay-as-you-go Rate

The flexible pay-as-you-go-rate depends on the size of the Annual Volume Allowance included in your subscription.

Size of Annual Volume Allowance (in ABV)	Overflow Utility Rate
500'000 - 4'999'999 €	1.0%
5'000'000 - 9'999'999 €	0.9%
10'000'000 - 19'999'999 €	0.8%
20'000'000 - 49'999'999 €	0.7%
50'000'000 - 99'999'999 €	0.6%
100'000'000 - 199'999'999 €	0.5%
Over 200'000'000 €	0.4%

2.3 Setup and Professional Service Fees

For System Setup and Professional Services, the following fees apply:

Service	Fee
System Setup	As defined in your Service Order
Training or live onboarding support that is not included in the system setup	EUR / CHF / USD 950 per day GBP 850 / day
APS Development Services	EUR / CHF / USD 1'050 / day GBP 950 / day
CPS Development Services	EUR / CHF / USD 1'150 / day GBP 1'050 / day
